RE: Evidence of Pole Attachment Agreement and Consent to File for Permits Granted to AT&T Wireless

To Whom It May Concern:

The undersigned jointly owns and controls certain utility poles in public rights-of-way throughout the geographic areas where it operates.

Please be advised that the undersigned has entered into a Pole Attachment Agreement ("Agreement") authorizing AT&T Wireless ("Applicant") to install, attach, maintain, repair, upgrade and use wireless communications equipment and appurtenances on certain utility poles pursuant to the terms and conditions of the Agreement. Permission is hereby granted to Applicant, or its agents, to make application for any Land Use, Access, Building, Electrical or Regulatory Permit(s) required to effectuate the initial installation, on-going maintenance and upgrades or replacements of said equipment for the locations below.

Site Name	Pole	Lat	Long	Address
