

**TOWN OF HAMILTON
PUBLIC NOTICE**

**BALLOON TEST SCHEDULED
434 ASBURY STREET - BLUE SKY TOWERS**

Saturday, September 10, 2016

WEATHER DATE – Sunday, September 11, 2016

7:00 AM – 2:00 PM

In order to determine the potential visual impact a proposed Communication Tower may have on the surrounding area, and to determine from what vantage points it may be visible, you are hereby notified that a balloon test is scheduled for Saturday, September 10th, with a rain/wind date of Sunday, September 11th from 7:00 AM – 2:00 PM in connection with an application for a Special Permit filed by Blue Sky Towers, LLC with the Hamilton Planning Board to install a Communications Tower at 434 Asbury Road, Map 37, Parcels 43 and 44.

A red balloon will be flown on a tether at 120 feet. To insure the wind conditions are best for a vertical flight, the flight is scheduled between 7:00 AM and 2:00 PM.

If you have any questions or comments please contact Patrick Reffett, Director of Planning and Inspections at 978-626-5248.
