GENERAL INFORMATION

1. INTRODUCTION

a. The Town of Hamilton, herein referred to as "TOWN" is administering this bidding process.

b. The TOWN will identify low bidders for each bid item.

2. QUANTITIES

a. This IFB employs estimated quantities that may or may not be purchased during the contract term. The TOWN reserves the right to exceed or not meet the estimated quantities as its needs dictate. Estimated quantities will be used for comparison of bids, determining the Low Bidder and establishing the Bid Bond/Deposit Labor and Materials and Performance Bond amounts.

3. PRE-BID CONFERENCE

a. No pre-bid conference will be held for this IFB.

4. BIDDER ELIGIBILITY

a. Bidder must comply with all requirements of this Invitation for Bids (IFB) in order to be considered eligible for award.

b. The TOWN reserves the right to accept or reject any and all bids or portions thereof, to waive any informality in bidding, and to recommend awards as appears in the best interest of the TOWN.

5. AWARD

a. The contract will be awarded to the most responsible bid and that bid which represents and is the best interest of the Town to award.

b. Award recommendations will be based on the prices enclosed in bold borders as indicated on the Bid Price Forms. Bid Price Form arithmetic is apparent.

6. CONTRACTS

a. Contracts resulting from this IFB will be made by and between the Low Bidders and the TOWN. The form of Contract is attached.

b. Initial Contracts shall be for the period from the date of contract execution through April 14, 2017.

c. The TOWN may at its exclusive option and at their sole discretion, extend the resulting Contract for up to two (2) additional (1) calendar year periods at the unit prices bid. Extensions will be for the following time periods only: April 15, 2017 — April 14, 2018 and April 15, 2018 — April 14, 2019. Extensions are subject to the availability of funds appropriated to perform the contracted work and do not constitute a commitment by the TOWN to engage Contractors' services on the basis of stated estimated quantities.

d. All general requirements and terms and conditions contained in the "General Information" section of this IFB shall become part of and contained in any resulting Contract, except that terms, conditions and requirements peculiar to specifications for named types of work shall supersede.

e. Low Bidders are required to certify at the time of contract execution, using the form included in the Bid Certification Section, that they have met all Massachusetts tax obligations of eligibility.

f. This IFB document and all included forms and requirements will be incorporated into all resulting contracts.

7. **APPLICABLE LAWS AND CERTIFICATIONS**

a. Municipal governments are exempt from Massachusetts sales tax and U.S. excise tax.

b. Bids for Catch Basin Cleaning are subject to M.G.L. c.30B. Massachusetts Prevailing Wage laws apply and are attached with this IFB.

c. Full compliance with Federal, State and Municipal Wage Laws is required of all work done for the Town of Hamilton.

d. Low Bidders must provide proof of possession in good standing of all applicable licenses and must obtain prior to performing contract work, all permits required by the Towns in which the work is performed unless waived by the appropriate issuing authority.

e. OSHA certification required.

f. Contractors shall be required to comply with all applicable Massachusetts General Law Chapter M.G.L. c. 149, §§26-27, and all other applicable Massachusetts General Laws.

g. The Contractor shall not discriminate with regard to the personnel employed on this project on the basis of race, color, creed, national origin, gender, sexual preference, handicap or age.

GENERAL TERMS AND CONDITIONS

1. NORMAL HOURS OF WORK

a. Normal Hours of Works shall be between the hours of 7:00 AM and 3:30 PM Monday through Friday, unless otherwise specified. Work shall not be performed on Saturdays, Sundays, Holidays or other than during Normal Hours of Work without express authorization from the TOWN as identified in the Contract documents.

2. SCHEDULES AND DEADLINES

a. Start and Finish Work: Contractors shall be available to begin work at locations designated by the Town no later than five (5) business days from the date of execution of a Contract or on a schedule approved by the TOWN. Once work has been started, Contractors shall remain on the job until all scheduled work is completed to the satisfaction of The TOWN.

b. Presence Known to Municipality: All work must be scheduled in advance and performed with the knowledge and consent of the Municipality. Contractors may not perform work within The TOWN absent such knowledge and consent.

c. Timeliness and Approved Delays: Time shall be of the essence regarding performance of each and every portion of the contracted work. Work schedules approved by the Municipality shall be binding upon the Contractor except for reasonable delays due to weather, failure of the Municipality in the timely performance of any of its prerequisite obligations, or site-related circumstances beyond the control of the Contractor. Extensions of time resulting from such delays are subject to approval by the Municipality and may not be unreasonably withheld.

d. Request for Service, Response, Failure to Respond: The Municipality may issue a formal written "Request for Service", calling for performance of the contracted work pursuant to a stated schedule, or for the establishing of a work schedule. Such "Request for Service", may be conveyed by e-mail, telephone, FAX, courier, or U.S. Postal Service. Contractors shall respond to the Municipality within Twenty-four (24) hours through an employee authorized to commit the Contractor. Failure to meet these obligations may subject Contractors to penalties of an assignment in the amount of $250 per day of non-compliance beyond a period of 24 hours after receipt of a written warning. Continued non-compliance may subject Contractors to loss of the contract and liability for the costs incurred by the TOWN.

e. Failure To Appear for Scheduled Work: In addition to the penalties noted in Section 3 of the General Terms and Conditions, Contractors that fail to appear for or cancel scheduled work to which police, or public works personnel are assigned on an additional pay basis, will be subject to contract back charges for costs incurred at the discretion of the TOWN. Such changes may include preparation by others that are required to be repeated.

3. LEGAL DAMAGES

a. If Contractors neglect, fail or refuse to complete the work within the time herein specified, or any proper extension thereby granted by The TOWN, then Contractors hereby agree, as part consideration for the awarding of this Contract, to pay to the TOWN the amount of $250 per day, not as a penalty but as liquidated damages for such breach of Contract as hereinafter set forth, for each and every calendar day that the Contract shall be in default after the time stipulated in the Contract for complete the work.

b. The said amount is fixed and agreed upon by and between Contractors and The TOWN because of the impracticability and extreme difficulty of fixing and ascertaining the actual damages The TOWN would in such event sustain, and said amount is agreed to be the amount of damages which The TOWN would in such event sustain, and said amount is agreed to be the amount of damages which The TOWN would sustain and said amount shall be retained from time to time by The TOWN from current periodical estimates.

4. **TERMINATION FOR CAUSE**

   a. This Contract may be terminated for cause due to unsatisfactory performance, after written warning and an opportunity for Contractors to correct the subject performance; or due to the absence of a municipal appropriation for the type of work for which the contract is made. Contractors will hold the Town harmless from all damages as a result of funding constraints. Municipal parties shall make a reasonable good faith effort to obtain sufficient additional appropriations to pay for work authorized and performed in excess of appropriations.

5. **INVOICING & PAYMENT**

   a. Payment for services will be made upon final satisfactorily completion of work assigned.

   b. Pricing shall be based on unit prices as bid.

   c. Invoices shall clearly indicate quantities, hours, location, prices and other applicable measures that can be verified by The TOWN on the basis of service or delivery slips provided at the time work was performed.

6. **MISCELLANEOUS**

   a. Terms, conditions and requirements particular to specifications for named types of work shall supersede those contained in the "GENERAL INFORMATION" section of this IFB.

   b. Contractors must make a diligent effort to coordinate scheduled work among The TOWN.

   c. Contractors shall complete all work of a continuous nature scheduled and called for by the TOWN prior to leaving the worksite or the municipality unless so authorized by the TOWN.

   d. Where a conflict in requirements is apparent between Section A: General Terms and Conditions and the Section B: Specifications, the Specifications shall control.

   e. **The IFB and addendums, amendments, etc.** will be on-line at the TOWN's website www.hamiltonma.gov, you must register for each proposal you are interested in. Solicitations, amendments, clarifications, changes or updates will be posted to this webpage. It is the responsibility of prospective proposers and or bidders to check the Town of Hamilton's website for new information any addenda or modifications to any solicitation.

   f. It is the responsibility of the prospective bidder to keep current the email address of the bidder's contact person and to monitor that email inbox for communications from the Town of Hamilton, including requests for clarification. The Town assumes no responsibility if a prospective bidder's designated email address is not current, or if technical problems, including those with the prospective bidder's computer, network or internet service provider (ISP) cause email communications sent to/from the prospective bidder to be lost or rejected by any means including email or spam filtering.

   g. The Town of Hamilton accepts no responsibility and will provide no accommodation to Bidders who submit a response and or bid based on an out-of-date solicitation or on information received from a source other than the Town of Hamilton.

   h. In the case where the bid opening location shall be shut down as the result of an emergency, the bids will be due and opened at the same time and location on the 1st business day the building is able to re-open.

CATCHBASIN CLEANING (NON-VACUUM EQUIPMENT)

1. SCOPE OF WORK

The work to be done under this contract shall consist of removing the accumulated dirt, refuse and other debris from each catch basin, the gutter mouth of curb inlets, and disposing of the materials removed. Drainage manholes are considered catch basins in this contract.

2. EQUIPMENT

Equipment used for routine cleaning shall be of the orange peel type capable of dumping into a self-contained dump body for removal to the assigned dumping site. The Contractor must have a full time year-round facility and trained staff capable of handling day to day operations and covering emergencies at any time at no additional charge.

All equipment must be registered and insured in accordance with Mass Law for the complete term of the contract. The Contractor shall provide all equipment and materials necessary to perform the work and shall maintain vehicles and equipment in a clean and good operating condition. .

3. CONSTRUCTION METHODS

a. Schedule

The Contractor shall perform routine cleaning of catch basins, as directed by the TOWN at least once during the year during the season preferred by the TOWN. The daily starting time may vary depending on the section of town where the work is being done. Cleaning in heavy traffic areas shall be done prior to 7:00 a.m. or after 5:00 p.m. at no additional charge.

The Contractor is solely responsible for all traffic control, signage and personnel as is necessary to provide for the safety of workmen, equipment, and the traveling public. The Contractor shall not block or stop the normal flow of traffic.

b. Work

The Contractor shall in each case remove the grate, clean the catch basin, including scraping the sides of the basin, to the satisfaction of the inspector, carefully reinstall the grate, and mark grate with spray paint provided by the Town. The catch basin shall be considered clean when the remaining material in the catch basin is not more than (4) inches in depth, if leveled.

The contractor must coordinate with the Water Department of the TOWN to obtain permission to use water for the filling of the water jetting system. The contractor will be required to obtain the necessary permits and to pay the fees required by the water district where the water is obtained without compensation by said town.

Before reinstalling the grates, the rims or seats shall all be cleaned so that they fit properly in place.

Immediately upon replacing the grate the Contractor shall paint a dot on a corner of the grate location, the color to be selected by the Director or his designee. During the operation, care shall be taken by the Contractor not to damage the grate, frame, catch basin, pipe or curbing. If damaged is caused by the negligence of the Contractor, the damaged parts shall be satisfactorily repaired or replaced at his own expense. No cover shall be removed until immediately preceding cleaning. No uncovered catch basin shall be left unattended at any time. Covers shall be replaced immediately after cleaning.

If the Contractor is required to drive his equipment on an unpaved area, in order to clean a specified catch basin he will not be liable for any damage caused to the unpaved area by his equipment.

The material removed from the catch basins shall be transported no less often than daily to the designated disposal area without spillage. Any material falling on the roadway shall be removed at the Contractor's expense.

c. Disposal of Debris
The Contractor shall quote prices for deposit of all debris removed from the catch basins, and manholes at a dumpsite provided by the Town. Whenever the Director or his designee calls the Contractor because of an emergency, regardless of cause, the Contractor must respond with the requested basin cleaner or vactor truck, and an experienced operator.

4. PERFORMANCE
Performance of Work: The contractor shall commence work in a timely manner and in no instance shall it not begin within fifteen (15) working days from the submission of the "Request of Service" unless agreed upon by the Director or his designee. The Contractor will also be required to continue with this work uninterrupted until complete. Failure to comply may result in penalties.

5. MEASUREMENT AND PAYMENT
Cleaning under this item shall be for each catch basin cleaned in accordance with the specifications.

Price shall include transportation and disposal of debris at a site designated by the TOWN.

Information about Prevailing Wage Schedules for Awarding Authorities and Contractors

- This wage schedule applies only to the specific project referenced at the top of this page and uniquely identified by the "Wage Request Number" on all pages of this schedule.
- An Awarding Authority must request an updated wage schedule from the Department of Labor Standards ("DLS") if it has not opened bids or selected a contractor within 90 days of the date of issuance of the wage schedule. For CM AT RISK projects (bid pursuant to G.L. c.149A), the earlier of: (a) the execution date of the GMP Amendment, or (b) the bid for the first construction scope of work must be within 90-days of the wage schedule issuance date.
- The wage schedule shall be incorporated in any advertisement or call for bids for the project as required by M.G.L. c. 149, § 27. The wage schedule shall be made a part of the contract awarded for the project. The wage schedule must be posted in a conspicuous place at the work site for the life of the project in accordance with M.G.L. c. 149 § 27. The wages listed on the wage schedule must be paid to employees performing construction work on the project whether they are employed by the prime contractor, a filed sub-bidder, or any sub-contractor.
- All apprentices working on the project are required to be registered with the Massachusetts Division of Apprentice Standards (DAS). Apprentice must keep his/her apprentice identification card on his/her person during all work hours on the project. An apprentice registered with DAS may be paid the lower apprentice wage rate at the applicable step as provided on the prevailing wage schedule. **If an apprentice rate is not listed on the prevailing wage schedule for the trade in which an apprentice is registered with the DAS, the apprentice must be paid the journeyworker's rate for the trade.**
- The wage rates will remain in effect for the duration of the project, except in the case of multi-year public construction projects. For construction projects lasting longer than one year, awarding authorities must request an updated wage schedule. Awarding authorities are required to request these updates no later than two weeks before the anniversary of the date the contract was executed by the awarding authority and the general contractor. For multi-year CM AT RISK projects, awarding authority must request an annual update no later than two weeks before the anniversary date, determined as the earlier of: (a) the execution date of the GMP Amendment, or (b) the execution date of the first amendment to permit procurement of construction services. Contractors are required to obtain the wage schedules from awarding authorities, and to pay no less than these rates to covered workers. The annual update requirement is not applicable to 27F "rental of equipment" contracts.
- Every contractor or subcontractor which performs construction work on the project is required to submit weekly payroll reports and a Statement of Compliance directly to the awarding authority by mail or email and keep them on file for three years. Each weekly payroll report must contain: the employee's name, address, occupational classification, hours worked, and wages paid. Do not submit weekly payroll reports to DLS. A sample of a payroll reporting form may be obtained at http://www.mass.gov/dols/pw.
- Contractors with questions about the wage rates or classifications included on the wage schedule have an affirmative obligation to inquire with DLS at (617) 626-6953.
- Employees not receiving the prevailing wage rate set forth on the wage schedule may report the violation to the Fair Labor Division of the office of the Attorney General at (617) 727-3465.
- Failure of a contractor or subcontractor to pay the prevailing wage rates listed on the wage schedule to all employees who perform construction work on the project is a violation of the law and subjects the contractor or subcontractor to civil and criminal penalties.

Additional Apprentice Information:

Minimum wage rates for apprentices employed on public works projects are listed above as a percentage of the pre-determined hourly wage rate established by the Commissioner under the provisions of the M.G.L. c. 149, ss. 26-27D. Apprentice ratios are established by the Division of Apprenticeship Training pursuant to M.G.L. c. 23, ss. 11E-11L.

All apprentices must be registered with the Division of Apprenticeship Training in accordance with M.G.L. c. 23, ss. 11E-11L.

All steps are six months (1000 hours.)
Ratios are expressed in allowable number of apprentices to journeymen or fraction thereof, unless otherwise specified.

** Multiple ratios are listed in the comment field.
