

My car was damaged in a pothole. How do I get reimbursed for the damage?

The Town has adopted the Commonwealth of Massachusetts policy for vehicle damage. Like the Commonwealth of Massachusetts, the town does not reimburse for pothole damage. Massachusetts General Laws [Chapter 81 § 18](#), the Road Defect Statute, allows reimbursement only for personal injury due to a defect in a road. To read more about this law go to [M.G.L. 81 § 18](#) or [M.G.L. 84 § 18](#).
