

Harborlight Community Partners
Providing Homes & Community Support

Dear Hamilton Citizens,

If anyone has questions, or knows someone who may have questions, about HCP's concept for what is being called "Miles River Village" in Hamilton we want to get the word out on how people can get in touch with us in the short term.

- If you have questions please feel free to call me directly at, Andrew DeFranza at 978-922-1305 ext. 207. You can also email me at adefranza@harborlightcp.org or use regular mail at HCP C/O Andrew DeFranza PO Box 507 Beverly MA 01915.
- If you would like to set up a meeting in person please send me a note or call me and I will be happy to come and meet with you.
- If you would like to drop in I will be planning to be at Henderson's on Wednesday mornings from roughly 8-9 am during April and May starting this week 4/6. I will have a chair for you and we can talk in person.
- In the very near future a letter will go out to all the abutters personally offering to meet with them before any formal proposal is submitted to anyone.
- Finally, we are planning to set up another informal public meeting that would take place before any formal submission. A date, time, and location for this will be circulated shortly. This would be intended to secure feedback from anyone in Hamilton.
- If there is some other way we can provide information to you at this time please let us know and we will do our best to work with you.
- If you would like to look into our work in the community at places like Firehouse Place, Turtle Creek, Turtle Woods, or Harborlight House please check out our website at www.harborlightcp.org or talk with people who have had family, friends, or others who are acquainted with our mission.
- The concept is in a very early stage but there appears to be significant interest. While we do not know everything we are happy to talk with anyone and provide the information we can at this point.

Wishing you all well.

Andrew DeFranza
