CHAPTER XII

STREET NUMBERING

SECTION 1. All principal buildings in the Town shall be numbered as provided in the following regulations:

SECTION 2. The numbering shall correspond with the numbering on the street (or one of the streets, if more than one) on which the lot with the building thereon abuts.

SECTION 3. The numbering shall begin at the end of the street as may be determined by the Board of Selectmen.

SECTION 4. On all streets the numbers shall run in consecutive order alternating from one side to the other, the odd numbers being on the right hand side of the street, the street running in the direction of increasing numbers.

SECTION 5. Each 40 feet of street frontage in residential type districts, each 10 feet frontage in business type districts, and each 20 feet of frontage in camp type districts shall be given a number, which shall be the number belonging to the buildings included in or embracing the frontage.

SECTION 6. All measurements of frontage shall be made on the center line of the street; no allowances are to be made for entering or intersecting streets, parks, cemeteries or other areas.

SECTION 7. Where two or more residences or establishments have their principal entrances within the same 40 foot frontage, the number shall be determined by the Board of Selectmen.

SECTION 8. In the case of incomplete streets, no numbers shall be assigned to the buildings until such time as the completion of the street will permit the assignment of permanent numbers conforming to these regulations.

SECTION 9. All principal buildings or establishments now existing or hereafter erected to which a number has been assigned shall have the number conspicuously placed in such manner that it will be visible from the street, using figures at least three inches in height. Whenever the building stands back more than seventy-five (75) feet from the street line, the number shall be conspicuously placed at or near the street upon a post, or in some appropriate manner and location so as to be easily legible from the street.

SECTION 10. It shall be unlawful for any person to remove, alter, or deface any number assigned and displayed as aforesaid, or to retain an improper number, or to substitute and display any number other than the one designated by virtue of these regulations.

SECTION 11. The Planning Board shall assign numbers in accordance with this Chapter upon approval of a subdivision plan.

SECTION 12. No permit, certificate, or license from the Town or any of its departments shall be issued to any building or establishment unless the same has a street number conspicuously placed in accordance with Section 9 of this by-law.
