It now holds the remaining balance of the \$500,000 of the proceeds of sale of the Patton Ridge property, approximately \$295,000 will be used for capital renovations. The Town has been using this fund for the property maintenance and the fund amount has dwindled because an operating budget was not created when the gift was accepted.

It is expected that the interior would be ready to host educational, cultural and private events starting fall 2020.
- The PHI and the Town have asked our Legislators (Sen. Bruce Tarr and Rep. Brad Hill) for grants and funding to convert the Homestead from a historic residence to a public facility while maintaining the historic character. Please contact Scott Maddern (smaddern@hamiltonma.gov) if you would like to help convince the administration to fund our local need.
