December 2, 2019

Dear Retiree:

We are pleased to inform you that effective January 1, 2020, the new rate for the Medex 2 plan with Blue Medicare RX has decreased to a rate of \$177.71 per month, a reduction of 1.66%.

Although there is a slight reduction in your monthly premium, there is no loss of coverage or plan design changes for the upcoming calendar year.

For your convenience, we have now listed your Medex II plan brochure on the Town's website under the Human Resources' Retirees tab. There you will find a copy of this notice along with some helpful links pertaining to your Medex II plan and Medicare coverage.

Since insurance premiums are due a month in advance, the new rate of \$177.71 will be deducted from your monthly pension check starting December 2019. If you are a direct pay retiree, please submit the new monthly premium of \$177.71 per month per member beginning in December 2019.

If you should have any questions or need further assistance, please contact me at 978-626-5216.

Sincerely,

Dyan Katz
Assistant Town Accountant
