RE: Complete Streets Committee - Review Meeting June 25, 2019

The minutes of the June 11, 2019 meeting were approved as written.

The Prioritization Plan was reviewed and reorganized with the following considerations noted:

- The top three projects were reranked so the old number 2 is now the new number 1, the old number 3 is now the new number 2, and the old number 1 is now the new number 3.
 - Attempt to connect new Projects 1 and 2 together because of their proximity
- Several other projects were reordered per constructability, safety concerns and public priority.
- Projects involving Bay Road and state property will be lowered within the Prioritization Plan.
- Project #1 at Highland Street / Asbury Street will likely be submitted for Tier 3 funding.
- Next Steps:
 - Refine cost estimates and add to each project
 - Complete Project Prioritization Plan
 - Submit to MassDOT mid-July

Next meeting the Committee will confirm the Plan for submission to MassDOT.
