RE: 3 BEECH STREET / PROPOSED ADDITION / TITLE 5

Dear Mr. Palazzo:

Per your request, we have reviewed the file for the subject property. Specifically, we investigated the septic system's suitability for a proposed addition. After our review, we have determined that the Septic System will not require an upgrade, so long as a deed restriction limiting the number of bedrooms to what currently exists is in place.

If you have any further questions, please feel free to contact me anytime.

ENVIRONMENTALLY YOURS,

Mark L. Carleo, REHS
