Re: Comprehensive Permit Application – 466 Highland Street

Dear Patrick:

Harborlight Community Partners (Harborlight) requests a continuance of the December 7, 2022 Zoning Board of Appeals (ZBA) hearing session, until the regular monthly ZBA meeting on January 4, 2023, in order to make septic system design refinements based on the Health Agent's recent letter. Harborlight agrees to a corresponding extension of the time for the ZBA to close the public hearing.

We appreciate the ZBA's consideration of this request.

Sincerely,

Benjamin B. Tymann

Benjamin B. Tymann
