KIDS TEST KITCHEN

Each class presents students with an opportunity to explore new or familiar foods in their raw, unmanipulated state. Then, working as a team, we'll slice, dice, peel, measure, and cook until we've prepared the finished dish. Lessons are planned to celebrate seasonal produce – warm you on a cold winter day and offer ideas for quick and healthy family meals. At the end of class your aspiring chef will receive the main ingredient, or a sample of the finished dish, and the recipe so that they can show off what they've learned! Even the most reluctant eaters enjoy KTK, where participation is expected, but tasting is always optional. Each session arrives with fresh new recipes and ideas to inspire your healthy eater!

Kids have food allergies, but they shouldn't miss out on the fun. We know allergies and can work around them, making sure that everyone is having fun and staying safe. *Please clearly disclose all food allergies and/or dietary restrictions upon registration.

If so, our Top Tier Trivia class would be the perfect fit! We will test participants in individual and group settings on a wide range of topics for amazing prizes. This will be an interactive class using the latest technology. Let's see if you have what it takes to be the next "Quizzard of Oz", "Google Geek", "You're a Quizzard Harry", or "Head of the Nerd Herd". We can't wait to test your skills!

Come test your individual and team effectiveness as a participant in our Nerf RIVAL Battlegrounds! The RIVAL series is designed with Nerfers ages ten and up in mind, as it features high-performance, high-speed Nerf blasters that are perfect for competitive, team-based play. If you have ever wanted to try out Paint ball, this is a great, safe alternative! The RIVAL blasters use squishy Nerf pellets, which is perfect for competitive gaming because players can feel when they get hit, but the pellets don't hurt like Paint ball or Airsoft. This awesome program puts a fresh spin on traditional games like Capture the Flag, King of the Hill, and Zone Wars, while also allowing participants to get great exercise, learn strategic planning skills, and make new battle-tested friends. Participants will play different games throughout the day, with individual and team-based challenges, so there is always something new and exciting to strive for. COLLEGE FUNDING: YOU CAN AFFORD COLLEGE IF...

You PLAN in advance; you UNDERSTAND the financial aid process; you ACT early enough to be successful. Financial Aid goes to the families who plan in advance - ideally before December 31st of the child's sophomore year of high school. This course will teach you the concepts and strategies that will help you maximize your financial aid by understanding the process, and how implementing strategies may increase a family's eligibility even if you have a "high income" or own a business. FRIDAY FUN NIGHT

JOIN SPORTSZONE STAFF FOR A NIGHT OF FUN! EQUIPMENT AND PIZZA PROVIDED. OPEN PLAYTIME FOR THE KIDS!

FRIDAYS MARCH 24TH- APRIL 14TH

You deserve a break for a few hours before the weekend hustle and bustle kicks in, don't you? We can help! Some of our fondest memories from our school age years were Friday night socials. You would show up, meet your friends, maybe play a little basketball, gaga, or ping pong, there might even be some karaoke in the background with another area for board games and food. We want to bring that experience back for the next generation. If the last few years have taught us anything, it is the value of socializing – we want to help create a fun, exciting, and safe environment for that socializing to happen. The atmosphere will not be a traditional, rigid structure. It will resemble a social club with young adult supervision and interaction, and pizza will be provided!
