HAMILTON HISTORIC DISTRICT/HISTORICAL COMMISSION
NOTICE OF PUBLIC HEARING

The Hamilton Historic District/Historical Commission will hold a public hearing on April 22, 2025 at 6:30 pm in accordance with the Hamilton Historic District/Demolition Delay Bylaw pursuant to the proposed demolition of an accessory barn at 920 Highland Street (Assessors Map 4, Lot 7). The property owners, Karl-Heinz and Patrisia Maurath, are represented by Jack Cross, Cross Property Management Inc. The Commission will determine if the building is a 'preferably preserved significant building,' which would impose a twelve month demolition delay. The application materials are available for review at the Hamilton Building Department. The meeting will be held remotely over the Zoom platform and log-in information to participate will be on the posted April 22, 2025 meeting agenda.
