Hamilton Building Department,

This letter is being sent on behalf of ACMC (Asbury Camp Meeting Corp) to confirm that the renovations and addition proposed to be made at 45 Central Place (plans attached) are permitted within ACMC's Rules & Regulations and have been approved pending your permitting by Asbury Grove Buildings and Grounds Committee. The community is looking forward to these renovations as the cottage has been in disrepair for quite some time.

Please reach out with any further questions to grounds@asburygrove.org

Thank you,

Sandy Meade
Chairperson
Asbury Grove Grounds Committee
